REDCHOCOLATE™:
CREATING CONFIDENCE & SUCCESS WITH FORMULATIONS

Hair is a colorist's canvas; hair color is the paint. Because the canvas changes with every guest, even the most practiced colorists can face formulation challenges. Confidence in formulation is an essential skill for any creative, successful colorist. If you are a colorist who wants to increase your confidence and have consistency and creativity in your formulation, this class is for you!

- Demystify hair color formulation and bring your confidence in formulation to the next level
- Gain an in-depth understanding of how to create consistent, outstanding results and the specific steps necessary to achieve them
