

VIRTUAL ADVANCED RUNWAY MAKEUP

MAKE FASHION WEEK A RECURRING DREAM

You're no longer a Fashion Week novice. You've been through the trenches with the Aveda Makeup team, and it left you wanting more. This four-week virtual class includes video content, webinars and homework that is designed for makeup artists who want to make a repeat performance at fashion's most prestigious event. Using your past experience as a springboard, you'll tackle more complex makeup applications and push your talent to the extreme—everything you need to return to New York or London Fashion Week stronger, wiser and ready to create advanced runway makeup looks that defy simplicity and convention.

LEARN:

- Advanced runway makeup looks and techniques
- The season's most complex makeup trends and how to create them
- How to complement a fashion designer's artistic vision with Aveda Makeup
- New York Fashion Week backstage logistics and etiquette
- How to use your previous backstage experience to your advantage
