

AVEDA FACIALS, DECONSTRUCTED

BE YOUR SALON'S AVEDA FACIAL GURU

Perfect for estheticians new to Aveda and those wanting to refine their skills, this second-level course offers in depth knowledge on products and the foundational techniques used in designing and performing Aveda facial treatments. We will take you through all of the Aveda Facial processes and educate you on what products, tools and techniques we use in each process.

After this two-day class, you'll have the skills you need to customize facial treatments to your guests' skin care needs and goals using Aveda Spa techniques, tools and professional products.

LEARN:

- Skin balancing techniques
- Tulasāra™ dry brush techniques
- Perfecting Plant Peel™ and other exfoliation products and techniques
- Aveda correction masques and facial gemstone roller techniques
- Aveda Spa rituals

Prerequisites: Professional Skin Care Foundations

BRING:

- Aveda Masque Brushes (2)
- Gemstone Rollers (2)
- Tulasāra™ Professional Dry Brush
- Wear Tank Top or Bring Facial Gown
- Hand Mirror
- Headband
